• Due to technical difficulties, Robin Buckingham was not present during this section of the meeting. He gave an update later in the meeting.

ACTION ITEM: Staff will reach out to Robin Buckingham with NRCS to invite him to provide a written monthly update when he is unable to attend meetings.

Covid-19 Update, Sarah Moorehead

- Staff and legal counsel continue to monitor and follow state legislation and instructions relating to the Open Public Meeting Act (OPMA) and in-person meetings.
- Staff continues to primarily work remotely in order to limit gatherings to below the maximum of 25% of office capacity.
- Staff continues to use SmartSheets to aid remote working and to schedule office access.
- Thurston County is on track to move to Phase 2 of the governor's Healthy Washington Roadmap Plan on Monday, February 1.

C

Department of Ecology (DOE) Update, Alena Reynolds joined the meeting at 5:43pm

 Alena reported that there is a temporary shortage in DOE staffing of the Coastal Watershed Nonpoint Source program. She also reported on collaborative efforts by the DOE and TCD to communicate TCD's technical assistance opportunities.

2021 WACD Legislative Week, All

- Staff has been working to schedule meetings with all Thurston County legislators for the WACD Legislative Week, which will be held virtually from Feb. 8th thru Feb. 12th. So far, TCD staff is working to pin down dates with the offices of State Representatives Laurie Dolan and Jessica Bateman and with Senator Sam Hunt.
- Staff is preparing "projects and impacts" materials in both a stylized newsletter and a story map format for the WACD Legislative Week meetings and for legislative communications in general.
- The 22nd District legislators are hosting an open-house On Feb. 3rd.
- WACD's Tom Salzer's *Five Things to Know List* is a good source of conservation district legislative priority talking points.
- The Executive Director will attend all meetings with legislators. Sarah will send scheduling updates to board members and coordinate board member participation to ensure that the District is in compliance with the OPMA.
- WACD publishes a weekly "bill tracker" that describes proposed bills that are relevant to conservation districts.

Thurston Conservation District February 2021 Financial Notes

Total (Restricted and Unrestricted) Year-to-Date Profit and Loss (Page 2)

- 1. In January 2021, the District's expenses exceeded its income by \$20,897.53. This is to be expected each month until May when TCD will receive one of the two major *Rates and Charges* payments; the other large payment is in November.
- 2. In January, between the Skookumchuck and Shellfish Cost Share projects, the District invested \$54,025.82 in on the ground construction projects.

Balance Sheet (Page 4)

3. As you can see on the Balance Sheet, the District ended January with \$114,063.49 in its checking account. Still TCD should avoid large discretionary purchases until cash flow stabilizes in May. We will be monitoring cash flow very closely until then.

Restricted Budgets vs Actuals (Page 5)

4. Please note the new SmartSheet format for this report. Thank you, Yan! Soon, the Board will have access to this report through their SmartSheet Dashboard.

Unrestricted Budgets vs Actuals (Pages 6 and 7)

- 5. Again, please note the new SmartSheet format for this report.
- 6. This report is based on the 2021 Unrestricted Budget approved by the board in October.
- 7. Notice the expanded Program Allocation section. In this section, you will see total year-to-date expenses for each District Program rather than the expenses being embedded in with the Districts general administrative expenses.
- 8. Our new janitorial service is more expense than the one we used last year. We will have to adjust that budget figure during the Mid-Year Budget Revision process in the spring.

ARTICLE V: TCD CONTRACT MONITOR

The TCD Contract Monitor for this project is Sarah Moorehead and may be reached at the following address:

Sarah Moorehead, Executive Director Thurston Conservation District SMoorehead@thurstoncd.com (360) 999-0078 2918 Ferguson St SW Tumwater, WA 98512

Grantee is required to obtain approval from the TCD Contract Monitor for:

- 1. making any substantial changes in the project scope, objectives, budget or schedule;
- 2. change in key project staff;
- 3. providing financial assistance to another party other than approved in the budget;
- 4. transferring programmatic work to another party (except for the procurement of equipment, supplies, and general support services);
- 5. extensions to the project period; and
- 6. absence (>3 months) or reduction in time (25% or more) on a project by project director or principal investigator.

Requests for changes shall be made to the Contract Monitor. Final approval will be issued in writing by the TCD Contracts office. The WDVA is not authorized to proceed with any changes until approval is received from the TCD Contracts office.

ARTICLE VI: REPORTS

The WDVA shall prepare and provide progress reports to TCD according to the following schedule:

- 1) A report for the May 15, 2020 through June 30, 2020 period is due July 5, 2020.
- 2) A report for the July 1, 2020 through September 30, 2020 period is due October 5, 2020.
- 3) A final report for the October 1, 2020 through November 30, 2020 period is due December 15, 2020.

Reports must be in MS Word format and submitted as attachments via email to the Contract Monitor, Sarah Moorehead. Grantee shall also include a report that provides a summary of the work performed during the invoiced period. The report must include any major goals accomplished, work performed on the project, obstacles faced that may cause delays in the program/project, and any feedback for the Grantor to improve upon their management of the interns.

If any of the reports described above are not submitted to TCD by the specified due date, payments to WDVA for any outstanding invoices will be suspended until the delinquent report is submitted.

ARTICLE VII: TERMINATION

This agreement may be terminated by either party upon thirty (30) days written notice to the other party. In the event of termination, Grantee shall be entitled to receive payment for work completed and materials purchased up to the point of termination. TCD shall be responsible for paying the Grantee final payment for services under this grant within 30 (thirty) days after receipt and acceptance of the final invoice.

ARTICLE VIII: GENERAL PROVISIONS

SELF-INSURANCE The TCD understands and acknowledges that the WDVA and its directors, officers, employees, and/or volunteers (i.e., interns), are covered by the State of Washington Self-Insurance Liability Program (RCW 43.19.766 et seq) and the Tort Claims Act (RCW 4.92.060 et seq). As such, the State of Washington Self-Insurance Liability Program provides the equivalent of these coverages normally found under a commercial lines policy or policies.

PROOF OF INSURANCE – The WDVA shall provide a "Self-Insured Liability Program (SILP) Certificate of Insurance" which would cover CGL (incl. contractual liability), WC, Auto Liability" to the AGENCY regarding the COUNTY'S insurance coverage for this Agreement. The SILP COI shall add additional Insured to the CGL, but only in regard to negligence by the WDVA and its directors, officers, employees, and/or volunteers (i.e., interns).

ARTICLE VIIII: HOLD HARMLESS

To the fullest extent permitted by law, the parties agree to defend, indemnify and hold harmless each other from any and all claims, demands, losses, and liabilities to or by Property Owner, by any public agency, or by any other third parties arising from, resulting from, or connected with work performed or to be performed under this Contract to the fullest extent permitted by law and subject to the limitations provided below.

To the fullest extent permitted by law, each party's duty to indemnify the other shall not apply to liability caused by or resulting from the sole negligence of the other party. Each party's duty to indemnify the other party for liability caused by or resulting from concurrent negligence shall apply only to the extent of negligence of the indemnifying party, its agents, employees and sub-tier subcontractor and suppliers of any tier.

IN WITNESS HEREOF, the parties hereby execute this agreement and agree to abide by the terms and conditions set forth.

EXHIBIT A TCD STATEMENT OF WORK

This agreement creates the Veteran Conservation Corps Habitat Restoration Crew Pilot Program between the Thurston Conservation District (TCD) and the Washington State Department of Veterans Affairs (WDVA) to implement community-based habitat restoration projects in rural areas within Thurston County to serve their community by improving water quality, enhancing wildlife habitat, and prevent the spread of invasive weeds, while providing valuable ecotherapy and professional development experiences for military veterans transitioning back to civilian life. Through these internships, TCD will serve their partners and residents with on-the-ground project support. Meanwhile, the veterans will experience the transformative quality of working outdoors on meaningful environmental projects while they diversify their skillsets, obtain technical training and coaching for job placement, receive mentorship from conservation professionals, and earn a stipend.

Grantee: The WDVA will lead implementation of the following tasks:

- 1) <u>Program Promotion and Participant Recruitment.</u> Grantee will promote the availability of the program components through various announcements/flyers, presentations, and discussions with natural resource leads and potential participants. Potential pools of participants include the Veterans Conservation Corps, student veterans and soldiers transitioning off active duty to use the GI Bill in Washington State. Grantee will specifically recruit individuals to fill position descriptions developed in collaboration with TCD. Grantee will pre-screen potential participants and will collaborate with TCD on interviews and participant selection.
- 2) Manage Participants and Coordinate Program. Grantee will manage the overall program, providing administrative and programmatic support for individual participants and communicating the expectations of program participation. Grantee will determine and implement the appropriate compensation mechanism (e.g., stipend, rate-based) and will manage and process timesheets or other mechanism to document time worked and impact made. Grantee will collaborate with TCD to develop position descriptions to fill up to the equivalent of -12 intern months, with an introductory period of -4 months. Should internship positions remain unfilled past the desired start time, TCD will notify WDVA that the funding to support those positions would become unavailable. Internships may also be extended upon agreement by both parties.
- 3) Grantee shall provide interns that will perform the following:
 - a.) The intern will work on a 3-person field crew under the supervision of the Thurston Conservation District (TCD). The crew will primarily on public and private properties such as farms and conservation lands, to achieve individual, local and regional resource conservation and restoration goals in Thurston County.
 - b.) The intern will also conduct field work activities that will include planting native trees and shrubs along rivers and streams, controlling or removing invasive vegetation, implementing erosion control techniques, and participating in salmon recovery projects.
- 4) <u>Preferred Knowledge, Skills, and Abilities</u>

The intern should have the following skills, knowledge, and abilities:

- Experience working on a crew to complete time-sensitive projects on private or public property
- Experience implementing safety practices in the field with and without supervision
- Experience operating hand tools and power tools
- Experience operating heavy equipment (mini-excavator, backhoe, etc.)
- Able to lift up to 50-lbs
- Able to operate a motor vehicle and haul a trailer
- Comfortable working with chemicals like pesticides and fertilizers
- Possession of or interest in obtaining a Pesticide Applicators License
- Comfortable speaking to landowners and other members of the public about projects
- Motivated and enthusiastic to work and learn

5) <u>Training</u>

All necessary training required to perform the essential functions/duties is provided on the job by the "TCD".

The intern may be required to participate in the following formal trainings and certifications to aid in professional development and job training:

- Plant identification
- Habitat restoration and vegetation management techniques
- Resume/cover letter/job interview coaching
- Veterans Cultural Competency Training
- CPR/First Aid
- Posttraumatic Growth Training
- PTSD/TBI/Mental Health/ Suicide Awareness & Prevention
- WDVA Veteran Peer Corps Certification
- VCC Annual Training (every August)
- Environmental conservation conferences/symposiums/workshops
- Growing your veteran-owned small business
- Whole Farm Planning and Agricultural Entrepreneurship
- Other trainings/certifications as available and desired by intern

Grantee and TCD are committed to providing a meaningful experience for veterans entering the TCD program as the primary outcome. Grantee and TCD will identify and provide support for any veteran-specific needs that are appropriate to each individual's capabilities and condition during enrollment in program.

Grantor: TCD will be responsible for the following tasks:

- 1) Enable all TCD staff to attend a cultural competency training facilitated by the WDVA.
- Communicate closely with Grantee project coordinators to ensure the wellbeing and progression of interns.
- 3) Share promotional material including photographs, donor reports, and associated media to the Grantee.

You can go to the <u>NACD 2021 Annual Meeting agenda website</u> and listen to recordings of the general and breakout sessions for February 8-10, 2021. Sessions will be available through the 24th of February.

1. NACD FINANCES

- a. Money saved from having virtual meetings rather than in person.
- b. Currently 22 employees.
- c. 2020 audit had NO findings.
- d. Total 2020 revenues were \$14,381,159.
- e. \$205,000 cash needed each month

2. NACD LEADERSHIP - ONLY ONE CANDIDATE FOR EACH POSITION.

- a. President-elect Michael Crowder (already in place)
- b. 1st VP Kim LaFleur (MA)
- c. 2nd VP Ian Cunningham (MN)
- d. Sec/Treas Gary Blair (MS)

3. NRCS ITEMS

- a. Former acting chief Norton is now acting deputy undersecretary of Agriculture.
- b. Terry Cosby (OH) is acting NRCS chief on week-to-week basis.

4. NACD PACIFIC REGION

- a. Ideas, among others, for what to address in Pacific Region: climate change, water and fire, improve communications, use our collective power, brag about what we do, share between districts, mentor future leaders, ID resources availability by state/territory, increase communications between islands, get to know new legislators/congress.
- b. PROBABLE joint NACD SW/Pacific meeting 8/30-31/21 in Jackson, WY.
- c. Pacific region was only region where % of members paying dues went up. Dues are \$775/year. **North Yakima CD** was noted as paying way more than just their dues. (You did WA state proud, Thank you.)

5. NACD BUSINESS MEETING

- Reports from partners (NRCS, National Conservation District Employees Association, National Association
 of Resource Conservation Districts, National Association of State Conservation Agencies), NACD

UPCOMING EVENTS

- March 22-10, 2021: NACD Virtual Advocacy Week (in lieu of Fly-In)
- July 24-27, 2021: NACD Summer Conservation Forum and Tour; Chicago, III.
- February 12-16, 2022: 2022 Annual Meeting at Hilton Lake Buena Vista: Orlando, Florida

Respectfully submitted: Doug Rushton; WACD National Director. NOTE: These are my <u>summary</u> notes and <u>are not</u> exhaustive. They are based on what I heard and my paraphrasing – no one else is responsible for errors or omissions. I was unable to attend many of the concurrent sessions listed in the program so have not provided comment on them. Additionally, with an unstable and disconnected internet connection, some conversations were undoubtedly missed.

Recent EPA Settlement Agreement

The federal Clean Water Act requires that each state develop a program to control sources of water pollution. These programs have to be approved by the Environmental Protection Agency before a state can get federal funding for their program, and each state has to demonstrate they are making satisfactory progress in controlling water pollution to keep getting funding.

Based on concerns that Washington's program had not been effective in protecting water quality, Northwest Environmental Advocates (NWEA) filed a lawsuit in 2016. Last month a settlement was reached between NWEA and federal agencies related to Ecology's nonpoint pollution program. The settlement agreement formalizes Ecology's ongoing commitment to address nonpoint pollution by developing guidance on best management practices (BMP) for agriculture that are effective at protecting and restoring water quality and practical to implement.

The agreement also stabilizes funding for these programs, requires that the first chapters of BMP guidance be completed by 2022, and our state Nonpoint Plan be updated by 2025. It also provides flexibility to coordinate with the Governor's Riparian Initiative to improve habitat restoration across the state. Staff Updates

Soon we'll have two vacancies in our Southwest Nonpoint team for the Coastal Watersheds since Jennifer Riedmayer took a different position at Ecology last month and Shawn Ultican is moving to another job within Ecology on February 22. With the current state hiring freeze, it is unknown when these positions will be filled; therefore, there will be a delay in ERTS report response and technical assistance requests. For more information, please contact Unit Supervisor, Sheila Marcoe, at (360) 522-2987 or sheila.marcoe@ECY.WA.GOV.

1.6 Citizens Advisory Committee Policy Established/Adopted: January 30th, 2020

Purpose:

To specify the structure and role of a Citizen's Advisory Committee (CAC), established by the District Board of Supervisors to provide assistance and advice to the District. This includes duties of CAC members, as well as the process for selecting and terminating CAC members.

The mission of Thurston Conservation District (TCD) is to conserve and sustain the beneficial use and protection of natural resources in our local communities. The District strives to make available technical, financial and education resources to all land users and citizens of the District. To fulfill this mission effectively and efficiently the District must coordinate and collaborate with numerous agencies and organizations and reach out to the citizens of the District.

The Board of Supervisors should be adequately informed about natural resource conservation concerns and opportunities and land user needs. There is a tremendous diversity of land users and citizens in the District, representing varied interests, objectives and needs. It is impractical for a five-member Board of Supervisors to adequately represent such diversity and thoroughly understand the variety of needs and concerns that exist. Therefore, the Board relies on paid staff, volunteer Associate Supervisors, and a volunteer Citizens Advisory Committee for input and to help inform their decisions and disseminate information to the citizens of the District.

A CAC is a key component of the District's interactions and communication with the community it serves.

Policy: <u>Structure and Organization of CAC</u>

A potential candidate may apply for a vacant CAC position at any time. Supervisors are encouraged to identify and recruit potential CAC candidates. An application approved by the Board will be available for interested candidates on the District website or upon request.

The CAC will consist of 12 positions. Each position will fill a two-year term. Even-numbered positions will begin in January of even-numbered years, and odd-numbered positions will begin in January of odd-numbered years.

The District Board of Supervisors will appoint by majority vote the Committee members to fill all positions for the terms beginning in January at their last meeting in the year the term ends. The District Board may fill unexpired terms at any time.

All Committee members must be residents within the District. Positions on the CAC are designated as follows:

Position #	Qualifications of position
1	Nominated by Thurston County Commissioners
2	Landowner in South County ¹
3	Commercial farmer in South County ²
4	Landowner in Lacey, Olympia, or Tumwater UGAs ³
5	Landowner in Lacey, Olympia, or Tumwater UGAs ³
6	Landowner in Northeast County ^{3,4}
7	Commercial farmer in Northeast County ^{2,4}
8	Landowner in Northwest County ^{3,5}
9	Commercial farmer in Northwest County ^{2,5}
10	Member of Nisqually, Squaxin Island, or Chehalis Tribe
11	Under-represented community member ⁶
12	Nominated by a Thurston County-based land trust

Notes of "Qualifications"

- 1. South County is roughly defined as south of Black Lake; the Olympia, Tumwater and Lacey UGA boundaries, and north of Yelm. (The District Board retains the discretion to determine geographic qualifications for residents living near this boundary.)
- 2. Commercial farmer is a resident who can demonstrate gross sales of greater than \$10,000 in agricultural or forest products produced on their property. Recruitment of different types of farmers (e.g. produce, livestock, tree fruit, forest products) is encouraged.
- 3. A marine shoreline owner and a freshwater shoreline owner would be desirable for two of these positions
- 4. Northeast County is north of "south county", outside of UGAs and east of Budd Inlet
- 5. Northwest County is north of "south county", outside of UGAs and west of Budd Inlet
- 6. The District Board will define under-represented communities prior to appointing this position. Generally the definition will be based on demographic communities that represent a percentage of County agricultural producers or workers that is lower than their percentage of County population. This is likely to include, but is not limited to, people of Hispanic, African-American, or Middle-eastern heritage. The Board may also apply this designation to a low-income resident of the County.

Powers and Duties of the CAC

The CAC and its members serve the District as an important liaison and a forum for communication between the District and the Community it serves. The CAC will provide recommendations and advice to the District for consideration. However, final policy decisions are the responsibility of the District Board of Directors, and operational decisions are the delegated responsibility of the Executive Director.

CAC members serve without compensation; however, with prior permission from the Executive Director, they may be reimbursed for expenses incurred conducting District business such as travel or meeting refreshments.

The District Board will establish CAC Operating Rules. In addition, as part of annual planning the Board will review the structure and function of the CAC, and establish an annual workplan for the CAC, which will include: a schedule for CAC meetings, issues the CAC should routinely review, and mechanisms for communication with the Board. In addition, the Board may pose a particular issue or question to the CAC, and ask for a special meeting to provide review and advice.

The following is a list of some of the common duties performed by the CAC:

- Provide feedback on District programs, services, and service delivery methods.
- Review the District's budget and annual plan, and prioritize actions in the 5-year strategic plan;
- Review Rates and Charges reporting to the County;
- Review annual elections and District appointments;
- Review policies and suggest areas and priorities for policy revision;
- Represent the community by knowing their concerns and accomplishments and use this information to help direct District policies;
- Advise on outreach and education programs;
- Collect information and feedback from citizens and recipients regarding District services and programs

Minimum Job Requirements

CAC members bring unique perspectives to the discussions, and it is hoped that members will become informed about the issues, participate constructively in discussions, and serve as an accurate and objective information conduit with others outside the meetings who should be aware of Council discussions.

Specifically, Council members will:

- Attend CAC meetings regularly (more than half of the meetings each calendar year);
- Review materials in advance of meetings, including policy and planning documents, meeting summaries, and financial analyses to understand the scope of the issues and potential approaches.
- Bring a valuable and informed perspective, and contribute useful information to the process.
- Work collaboratively, constructively and creatively to support the CAC to effectively advise the District by aligning with the District's mission, performing designated duties, and communicating with the Board;
- Communicate actively with the community to bring back information and viewpoints to the CA;
- Participate in other CAC roles or activities as needed that the Board requests or agrees to.
- Abide by the Operating Rules.

Qualifications & Skills

CAC members shall identify and demonstrate the knowledge, experience, and expertise that they will employ. Specific skills are less important than a demonstrated commitment to work actively on CAC activities and communicate with the community and the Board.

2021 Native Plant Sale

TCD received 299 pre-orders for this year's plant sale and has sold out of nearly all plant stock!

TCD will not be holding a walk-up in person sale on Saturday (March 6th), due to COVID-19 restrictions and community safety. Instead, we will hold a week of scheduled pre-order pick-ups at the Thurston County Fairgrounds. All pre-order customers will sign up for contactless pick-up timeslots throughout the week (Wednesday, March 3rd – Saturday, March 6th). By spreading out pick-up times it will allow us keep both volunteer group sizes and customers picking up their orders small.

We are scheduling volunteers in specific timeslots, where participation will be capped. If you are interested in volunteering to package orders, please sign up here: Thurston Conservation District Staff: Plant Sale - Packaging Orders (signupgenius.com)

For more information about our plant sale, please visit: <u>2021 Event Details</u> (thurstoncd.com)

TCD Legislative Appointments

Earlier this month, TCD met with the following legislators in our area:

2nd Legislative District: Sen. McCune NEW, Rep. Wilcox 20th Legislative District: Rep. Abbarno NEW, Rep. Orcutt 22nd Legislative District: Sen. Hunt (staff), Rep. Bateman

35th Legislative District: Sen. Sheldon (staff)

TCD is very grateful for the time our local elected officials took to meet with us during a critical week for fiscal deadlines! While a different year, one of the best legislative weeks we've experienced in the last several years.

TCD carried forward messages such as: our farmers need help – especially now during the pandemic, non-regulatory support mechanisms are in place and can adapt and assist, land stewardship is complex – people need technical help and support navigating regulations and government programs, and more.

In addition, we were pleased to share our successes, such as: TCD has increased our cost share opportunities to landowners by 150% this last biennium, along with increasing our much needed staffing by 130%, we created The Farmer's Basket – a pandemic response for producers to reach a direct sales market during shutdowns, restoration and conservation project highlights, and more.

We received an overwhelmingly positive response from all of our elected officials, who were pleased with our efforts on the ground and asking for deeper follow up conversations after session. Many also offered support for continuing our work, including participating in tours, meetings and advocating for our local community!

TCD staff provided follow up information, links and more to answer questions, share WACD and WSCC materials, and engage our elected officials in TCD news channels.

District Operations

- 1. Staff will reach out to Robin Buckingham with NRCS to invite him to provide a written monthly update when he is unable to attend meetings. Completed. A written report will be submitted prior to the February Board Meeting.
- 2. Staff will provide the Board a brief update of the Capitol Lake Environmental Impact Statement (EIS).
 - Completed. Sent electronically 1/29/2021.
- 3. Staff will send Supervisors Board meeting items as separate documents, rather than a combined PDF.

Completed. February 25, 2021 Board Meeting items sent to Supervisors electronically as individual meeting item documents, in addition the mailed paper packet.

Staffing Update

New Temporary Employees:

TCD has hired two (2) temporary employees to serve as polling officers that will conduct TCD's 2021 Election. We are pleased to welcome aboard Kelly Quiroz and Vered Serotta. Both candidates came highly recommended and bring experience in working with local elections. In addition, we would like to thank the Thurston County Auditor's Office for offering our polling officers additional training in preparation for this year's election.

Hiring:

Engineer – The application period of this position has now closed. Application review and interviews will take place in the coming weeks, with an intended start date in late March to early April.

Monthly Staff Reports

Reminder – Monthly staff reports can now be viewed electronically! The link to view monthly staff reports has been sent to all Supervisors via email.
