

REQUEST FOR PROPOSALS

Project Title: **Zangle Cove Shoreline Restoration Project**

Project Sponsor: Thurston Conservation District

(TCD) Project Manager: Katrinka Hibler

Digital proposals shall be received at katrinka@thurstoncd.com by January 26, 2023 2pm. A mandatory site visit will be held on January 18th, 2023 at 4pm.

DESCRIPTION OF PROJECT

This project involves the careful deconstruction and disposal of 135 linear feet of wire gabion bulkhead and additional sections of remnant shoreline armor (tire walls), removal and disposal of shoreline debris and detritus on the beach including a single wooden pile to be cut. The natural cobble and native fill located within and behind the gabions will be left on site and regraded to form a continuous sloped surface that will then be covered with up to 91 tons of beach nourishment composed of gravel and sand material. This project includes the installation of a modular platform and beach access stair that will be provided to the contractor. Plans, Specifications, and other pertinent information can be obtained by email request. TCD will be responsible for obtaining applicable environmental permits for the project.

Estimated price: \$ 110,000 to 140,000

Bidders on this work will be required to comply with Executive Order 11246 (Equal Employment Opportunity), the Davis-Bacon Act, the Copeland (Anti-Kickback) Act, the Contract Work Hours and Safety Standards Act, as explained in the Contract Documents, and all applicable state and local laws and regulations.

This is a Prevailing Wage project. In accordance with the provisions of Chapter 39.12 RCW, TCD has ascertained from the Labor Commissioner the general prevailing wage in the locality of the Project for each craft and type of workman, and the CONTRACT will contain in express terms the hourly and daily rate of such prevailing wage.

Free-of-charge access to project bid documents (plans, specifications, addenda, and Bidders List) is provided to Prime Bidders, Subcontractors, and Vendors by going to www.bxwa.com and clicking on "Posted Projects", "Public Works", and "Thurston Conservation District". This online plan room provides Bidders with fully usable online documents with the ability to: download, view, print, order full/partial plan sets from numerous reprographic sources, and a free online digitizer/take-off tool. It is recommended that Bidders "Register" in order to receive automatic e-mail notification of future addenda and to place themselves on the "Self-Registered Bidders List". Bidders that do not register will not be automatically notified of addenda and will need to periodically check the on-line plan room for addenda issued on this project. Contact Builders
